

Mia & Leo Go WILD!

MS NZ MOUNTAIN SAFETY COUNCIL

Plan My Walk

COLOURING-IN ACTIVITY SHEET

CAN YOU FIND...

Decide whether the circle in the sky is a sun or moon. You can colour the scene as day or night.

Then, decide whether **Mia & Leo** will go to the hut or the glowworm cave. Label the signs and start colouring. See what birds and animals you can find along the way.

- ⇒ All 11 native birds?
- ⇒ A native mushroom?
- ⇒ A native gecko?
- ⇒ A tuna / freshwater eel?
- ⇒ Mia's missing water bottle?

Share your finished artwork to go in the draw.

We have 4 **outdoor adventure prize packs** to give away each month until the competition closes!
